

Assessing Your Life Balance

“A wheel runs most smoothly when well balanced.”

Instructions:

Read each statement and fill in the corresponding pie shaped section of the wheel to the degree you are achieving this. For example, question one is: " I eat a balanced nutritional diet"; if you feel you are doing this 100%, of the time, color in all of section one. If you feel you do this, 60% of the time, color 60% of the section. Repeat for all 36 sections of the wheel.

Remember:

- Each person is unique.
- There is no “right” or “wrong” wheel.
- Responses will vary depending on age and stage of life.

Consider the wheel you have created as a source of feedback. Feedback is something we can choose to use or ignore.

Reflection:

Which section(s) has the most color? _____

Which section(s) has the least color? _____

What do you like about your wheel?

What would you like to change?

Where could you make investments (time, energy, money) to bring more color to your wheel?
